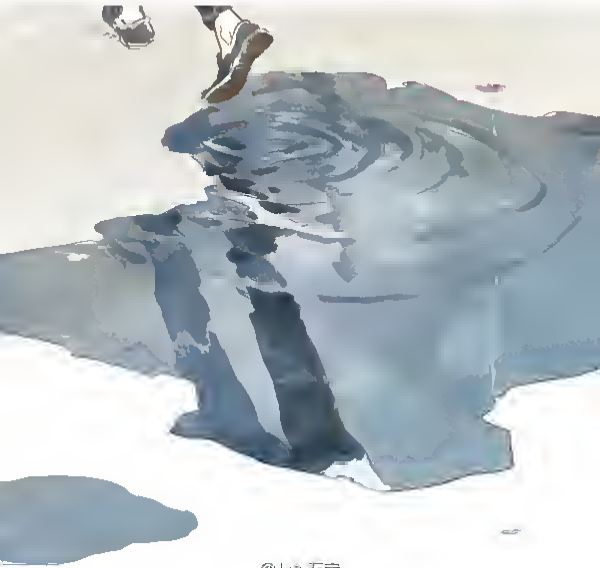
Beloved.

CHAPTER 7

SIXTEEN YEARS OLD



@Jae-五宝

Clothes...
Clothes...
Clothes she can wear...
Ah, right...
Should I also bring...
Some underwear...?
Gulp

@Jue-五主

Pssst...

Ah!!

Your wound...
.....

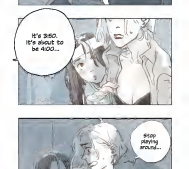
Pfft

? !
Wait...

Shouldn't you do your rounds?

! !
My name...

It's only 3500, I'll go in a bit.



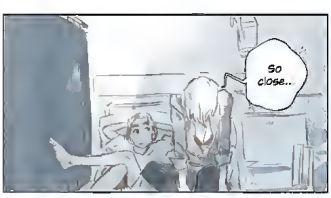
It's 3650. It's about to be 4000...

Stop playing around...

Isn't Dr. Wei in the ward?
!!

I saw her go in, it's been awhile now.
I'll go in after she comes out ..

Oh yeah, what's the color number for that lipstick you bought last time?
Which one? The one that's menstrual red?



So close..

That one's 501, but I recommend 505 for you...

That one's more serious, better suited for someone mature.

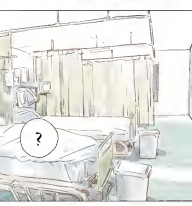
You're the old one! Aren't you only a year younger than me?!
How's it going in the ward?

Doc-
Doctor Lu!

@Jaz-五王

Is Dr. Kwi still in the emergency ward?

Yes, she shouldn't have left yet...



?

Weird... Dr. Kwi was here just now...

Could she still be taking care of that patient...?

What's up, Doctor?

Where's Dr. Wu?
Wu... Aunt Wu just left...
I don't know where she went either...
Does your head still hurt?
It's okay now!
Let me know if you feel any discomfort. We'll need to monitor your condition for a while longer.
Get some rest. I'll check on you in a few hours.
?
?
Get some sleep.
Your condition requires bedrest.
Okay, they're all left...
Sigh...

How shameful...
Must be retribution...

Ohhh cim we consummate on occasion...
But there's really no excuse if it happens a second time!

Am I really that desperate for a relationship with a servant over da...?
Just what am I thinking?!

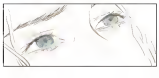
Plus I have no idea which of her words are true...

Ahhhhhh!

I really don't know what goes on in a servant over she's head...

Sixteen.

It was really such a long time ago...



What was I thinking back then...?

I really like you. I'm sorry.....
